

Hearts for Hope

IMPACT BREAKFAST

What is it?

A morning of inspiration and celebration at the 2025 Hearts for Hope Impact Breakfast! This year, we're shining a spotlight on the incredible successes of our students, the transformative new programs launched in 2024, and the powerful partnerships that have strengthened our mission. Be the first to hear about our exciting vision for the future as we continue to expand opportunities for young readers and their families. Together, we'll reflect on the milestones we've achieved and look forward to the next chapter of impact.

Why Sponsor?

Become a Hearts for Hope sponsor and showcase your brand to 300 like-minded professionals in Louisville who share a passion for making a difference. Your sponsorship not only elevates your business but also ensures every dollar raised at our breakfast directly supports the children in I Would Rather Be Reading's programs. Together, we can build a brighter future for our community's kids while amplifying your impact and visibility.
